ASCOMS & Hospital of Jammu, India	Clinical Specialties	Rotatory Internship	15/06/2003- 16/06/2004

COMPETENCY IN PROCEDURAL SKILLS:

- Endoscopic & Minimal invasive spine surgical procedures.
- Endoscopic fusion procedures in spine.
- Endoscopic procedures for cervical, Thoracic & Lumbar spine.
- Deformity correction in spine
- Joint replacement surgeries for Hip, Knee and Elbow.

- Arthroscopic procedures for knee like ACL reconstruction.
- Cold RF procedures for pain management
- Limb lengthening and deformity correction.
- THR/Hemiarthroplasty of Hip joint.
- Ilizarov fixator application and Tubular External fixations.
- Discectomy, foramenotomy and laminectomy of spine.
- Decompression and posterior stabilization in spinal injuries
- Complex trauma management.
- Deformity correction and limb lengthening by ilizarovs fixator.

CONFERENCES AND CME ATTENDED:

- Participated as faculty in Mission spine course Ahmedabad 2025
- PARTICIPATED AS FACULTY IN UZMISS 2025
- PARTICIPATED AS FACULTY IN UZMISS 2024
- Participated in Endospine 24 in Sharjah university as faculty in UAE.
- Participated as fellow at saint Anna hospital for Endoscopic learning Herne Germany 2024
- PARTICIPATED AS FACULTY IN UZMISS 2024
- PARTICIPATED AS FACULTY IN IORA 2- 2024
- Participated as faculty in Endospine 2024 Lucknow.
- Participated in Endoscopic conference in Mumbai as faculty -2024
- Participated in HIMORTHOCON 2024 in Hamirpur H.P as Faculty.
- Participated in Endospine 2023 in Ahmedabad India as Faculty.
- Attended TUSSULA 2019 at Jaipur
- Attended NZOA conference at Amritsar in 2017.
- Attended NZOA conference in Ludhiana in 2014
- Attended SCOLIOSIS workshop at KOCHI Amrita institute in 2013,
- 26th Annual conference of NORTH ZONE CHAPTER OF INDIAN ORTHOPAEDIC ASSOCIATION, 2007.
- ATTENDED SYMPOSIUM ON LOCKING COMPRESSION PLATE, 2007 held in JAMMU.
- Participated actively in the workshop on Total Hip Replacement and Resurface arthroplasty in 26th annual conference of NZIOA, HELD IN LUDHIANA.
- Participated actively in Instructional course in spine, 2008: organized by association of spine surgeons of India and Spine Society of Europe.
- XVII HIMORTHOCON, 2008.
- Participated in SKELETAL RELAY, GURGAON, 2009.
- Xviii HIMORTHOCON, 2009.
- Attended the basic AO course principles in operative fracture management, march 2009, Ludhiana, India.
- Course of Basic cardiac life support, Cardiac association of Saudi Arabia, Saudi Arabia – 2010

RESEARCH WORK:

- I was involved in the study "Management of Thoracic and lumbar spine injuries with decompression and stabilization with Universal spine system (USS)" in Department of Orthopedics, University Hospital of Jammu, India. It was a prospective study and presented as my thesis for the Degree of Master of surgery.
- Study of callus features in infected cases of limb lengthening over intramedullary device.
- Study of quality of life in Achondroplastic patients after limb lengthening surgeries.

PRESENTATION:

- Presented paper on endoscopic spine surgery benefits in Annual conference of medicine at Mandi, Himachal Pradesh in 2024.
- Presented paper on Endoscopic solutions for difficult Herniations in Annual conference at Ahmadabad 2022.
- Presented paper on Endoscopic management of post operative discitis in Annual conference at Tashkent Uzbaikistan in 2025.
- Presented paper on Endoscopic Fusion at Lucknow India in 2023
- Presented paper on perspective of endoscopic spine surgery at Endospine 23 in Ahmadabad Gujrat in 2023.
- Presented a paper on STAFFEE PLATE SYSTEM IN MANAGEMENT OF THORACOLUMBAR SPINE INJURIES: EXPERIENCE OF FIRST 20 CASES in 26th annual conference of NZIOA, 2007.
- Presented a paper on UNIVERSAL SPINE SYSTEM IN THE MANAGEMENT OF THORACIC AND LUMBAR SPINE INJURIES: in Instructional course in Spine, 2008: organized by association of spine surgeons of India & Spine Society of Europe.
- Presented a paper on MANAGEMENT OF THORACOLUMBAR SPINE INJURIES: in XVII HIMORTHOCON, 2008.
- Presented a paper on infection in limb lengthening cases : in XVIII HIMORTHOCON, 2009.
- Presented a paper on limb lengthening over intramedullary nail : in NORTH ZONE CONFERENCE of orthopedicians, 2010.

PUBLICATION:

- **Various publications on endoscopic spinal procedures.**
- **Publication on Endoscopic trans saps fusion.**
- **Treatment of fracture shaft of femur in children**
- **Case report: congenital constriction band syndrome**
- **Management of thoracolumbar spine injuries by stable plating and conservative method.**
- **Callus features in limb lengthening procedures after infection.**
- **Transforaminal endoscopic procedure and microdiscectomy comparative study.**
- **Comparison of surgical & conservative treatment for spinal tuberculosis.**

TEACHING EXPERIENCE:

I have a keen interest in teaching and have been actively involved in teaching throughout my career. I started teaching undergraduate medical students in basic clinical skills when I was a House Officer.

I was involved in teaching medical students & house officers the basic management of fractures and POP application and the principles of internal and external fixation.

IT SKILLS:

I am a computer / Internet enthusiast, proficient in browsing information related to medical fields and am skilled in using Evidence Based Medicine Tools such as Medline, Cochran, Pub med. I am well versed with MS DOS, Windows XP, Windows Vista, MS Office, Photoshop and many other computer applications.

HOBBIES AND INTERESTS:

I am a keen sportsman and have played table tennis at school and college level, I have won many table tennis tournaments at school and college level.

I like reading books especially related to history and religion.

SKILLS:

- **Analytical approach, clarity of thinking and conceptual skill, maintaining integrity as a person and working as flexible team member.**
